3. Pursuant to the Sale and Bid Procedures Order, the Court will hold a **Sale Approval Hearing** on **January 13, 2010, at 9:30 a.m.** in Courtroom No. 2B, United States Courthouse, 316 North Roberts Street, St. Paul, Minnesota.

4. The Sale and Bid Procedures Order requires the Debtors to distribute to non-Debtor parties to any Acquired Contracts or Assumed Leases (defined below) a list of executory contracts and unexpired leases the Debtors intend to assume and assign to the Stalking Horse in connection with the Sale, including any Cure Amount (defined below) necessary to compensate such non-Debtor parties for actual pecuniary loss associated with such Acquired Contracts or Assumed Leases.

5. A list of the Debtors’ executory contracts and unexpired leases is attached hereto as **Exhibit 1**. **Exhibit 1** identifies the counter-party to each contract or lease, briefly describes the contract or lease, and states (in the right-hand column) the Debtors’ intention to assume and assign a particular contract or lease by the term “Assume” (those so designated are hereafter the “Acquired Contracts or Assumed Leases”).³ **Exhibit 1** also sets out the monetary amount the Debtors believe to be necessary to cure any default and compensate the non-Debtor counterparty for any pecuniary losses (the “Cure Amount”) as required by Section 365 of the Bankruptcy Code, as of November 1, 2009.⁴

³ Contracts that are not designated “Assume” are not being assumed and assigned as part of the current sale process, subject to the amendment provisions set out herein.

⁴ The Cure Amounts may be updated prior to the Sale Approval Hearing. Cure Amounts are included for all contracts so that the non-Debtor party to each contract has notice of the Cure Amount in the event the Debtors later include the contract pursuant to a Notice of Change, as provided herein.

THEREFORE, PLEASE TAKE NOTICE THAT:

A. **Intent to Seek Order.** The Debtors intend to seek an order approving the assumption and assignment of each Acquired Contract and Assumed Lease to the Stalking Horse or the Prevailing Bidder at the Auction, subject to the change provisions set out below.

B. **Deadline to Object.** As provided in the Sale and Bid Procedures Order, except as otherwise agreed to by the Debtor and any non-Debtor party, any non-Debtor party to an Acquired Contract or Assumed Lease shall have until **three (3) days** before the Sale Approval Hearing at **4:00 p.m.** prevailing Central Time (the “Contract Objection Deadline”) to object to (i) the proposed assumption and assignment of such Acquired Contract or Assumed Lease in connection with the Sale and/or (ii) the proposed Cure Amount set forth on **Exhibit 1** hereto.

C. **Change in Assumption and Assignment and Notice re Adequate Assurance.** Pursuant to the Sale and Bid Procedures Order, should the Debtors’ proposal regarding assumption and assignment of leases and/or contracts change (whether due to change by the Stalking Horse or a Prevailing Bidder or Back-up Bidder or for any other reason), Debtors shall promptly give notice of such change (the “Notice of Change”). In addition, when the Prevailing Bidder is identified, Debtors shall promptly give to the non-Debtor parties to Acquired Contracts and Assumed Leases information relevant to adequate assurance of future performance. Unless the Debtors obtain court approval of a shorter period, such notice will be given at least four (4) days (including weekends and holidays) before the Sale Approval Hearing or any subsequent hearing.

D. **Deadline to Object re Change and Adequate Assurance.** Should the Debtors provide a Notice of Change and adequate assurance information to a non-Debtor party to an Acquired Contract or Assumed Lease, except where the change or adequate assurance was

agreed upon by the parties thereto, the non-Debtor party shall have until **one (1) day** prior to the Sale Approval Hearing to object to the proposed assumption and assignment of such Acquired Contract or Assumed Lease in connection with the Sale (the “Amended Contract Objection Deadline”).

E. **Required Contents of Objection.** Pursuant to the Sale and Bid Procedures Order, any party objecting to (i) the proposed assumption and assignment of any Acquired Contract or Assumed Lease to which it is a non-Debtor party and/or (ii) the proposed Cure Amount set forth on **Exhibit 1** (a “Contract Objection”) must file and serve the Contract Objection⁵, setting forth in writing with specificity any and all cure obligations that the objecting party asserts must be cured or satisfied in respect to the applicable Acquired Contract or Assumed Lease and/or all objection to the potential assumption and assignment of such agreements; together with all documentation supporting such cure claim or objection, so that the objection is received no later than **4:00 p.m.** prevailing Central Time on the Contract Objection Deadline or the Amended Contract Objection Deadline, as applicable.

F. **Waiver.** A non-Debtor party’s election not to file an serve a Contract Objection or Amended Contract Objection will be deemed a waiver of any objection and the non-Debtor party will be barred from asserting any objection at the Sale Hearing.

G. **No Rejection.** The failure of the Debtors to designate a particular contract or lease as an Acquired Contract or Assumed Lease shall not be deemed to be a rejection of said contract or lease.
